

PRIVACY POLICY - SADBOIWITHSAUCE

Effective Date: May 22, 2026

At **SADBOIWITHSAUCE**, we take the protection and management of your personal data very seriously. This Privacy Policy outlines how your information is collected, used, and protected when you visit our platform or purchase a music license.

1. INFORMATION WE COLLECT

To provide you with automated beat sales and personalized customer service, we collect the following data:

- **Contact Information:** Your name, artist name, and email address when you fill out the contact form or make a purchase.
- **Transaction Data:** Information required to process your payment.
SADBOIWITHSAUCE does not store or have access to your credit or debit card details. All payment processing is securely handled by trusted third-party providers.

2. USE OF THIRD-PARTY TOOLS

To ensure the correct automated functionality of the store, we share strictly necessary data with the following platforms:

- **Stripe:** All financial transactions are processed externally and securely through Stripe. When making a payment, your financial data is governed under the privacy policies of that specific payment gateway.
- **FormSubmit:** Messages sent through our contact form for custom beats, mixing, or collaboration inquiries are managed and redirected to our email via the FormSubmit service.

3. HOW WE USE YOUR INFORMATION

The collected data is used exclusively for the following purposes:

- Automatically generating and sending your download links for the purchased beats and licenses.
- Responding to your questions, custom beat requests, mixing/mastering inquiries, or exclusive rights consultations.
- Preventing fraud and ensuring the transaction security of the Website.

- Complying with legal obligations or resolving disputes regarding music usage licenses.

4. DATA PROTECTION AND STORAGE

We implement technical security measures to protect your personal information against unauthorized access, loss, or alteration. Because we deal with direct digital downloads, we only retain a record of your email and purchased licenses to validate your usage rights over the instrumentals in the future. We do not sell, trade, or transfer your personal data to outside parties under any circumstances.

5. USER RIGHTS

You have the right to request access to, correction of, or the deletion of your contact data from our internal record at any time. If you wish to exercise this right (for example, if you changed your email address and need to update your buyer history), you can contact us directly at: **sadboiwithsauce@hotmail.com**.
